HARVEST FESTIVAL

Our school values of respect, enjoyment, kindness and community were evident in our school assembly yesterday as we celebrated our Harvest Festival together. Reverend Wendy, who works with Westerham Foodbank, came to speak to us about our donations and the importance of respecting our environment and the food that grows for us to enjoy. Reverend Wendy also spoke about us growing into good, respectful people - respectful of others and ourselves. Thank you all for your kind and generous donations that have been collected by St Mary's Church, ready to distribute to Westerham Foodbank and Christchurch, Brixton.

PARENT POWER!

Thank you to everyone who was able to come to this morning's Coffee Morning with Mrs Jewitt. We hope to hold regular Coffee Mornings or afternoons with parents and will advertise these in our newsletters. One topic of discussion in the Coffee Morning was around parental support and volunteering, especially around clubs and after school activities. If you are a parent who has a clear DBS certificate and would like to offer your skills to potentially lead a club after school (especially sports or physical activity) please email the school office.
